Frequently Asked Questions (FAQs)

Q1: Where can I find polytechnic lecturers' previous papers for EEE?

A1: Access to these papers varies. Some lecturers provide them directly. Others may make them available through the departmental LMS or shared online resources. Senior students and online study groups are additional avenues. However, always

verify the authenticity of the source.

Q2: Are past papers sufficient for exam preparation?

A2: No, past papers should supplement, not replace, thorough course study. They are a valuable tool for self-assessment, practice, and identifying knowledge gaps, but solid understanding of the course material is paramount.

Q3: How many past papers should I attempt?

A3: There's no magic number. Attempt enough to feel confident in your understanding and to identify and address any weak areas. Focus on quality over quantity—thoroughly understanding the solutions is more beneficial than simply completing many papers superficially.

Q4: What should I do if I don't understand a question or solution in a past paper?

A4: Seek clarification from your lecturers or tutors. Online forums and study groups

can also provide assistance, but always cross-check information from multiple sources to ensure accuracy.
